02 Downloading Gridinsoft Anti-Malware

Gridinsoft Anti-Malware provides comprehensive protection against malware, spyware, adware, and other security threats. This guide walks you through the complete download and installation process, ensuring you get optimal protection for your computer. The installation process is designed to be straightforward while offering customization options for advanced users.

01 System Requirements

Before downloading Gridinsoft Anti-Malware, verify that your system meets the minimum requirements:

Operating System

Hardware

Additional Prerequisites

Operating System

- **Windows 11:** All versions (Home, Pro, Enterprise)
- **Windows 10:** Version 1809 or later (32-bit and 64-bit)
- **Windows 8.1:** All editions with latest updates
- **Windows 8:** All editions with Service Pack 1
- **Windows 7:** Service Pack 1 or later (support ending)

Hardware

- **Processor:** 1 GHz or faster x86 or x64 processor
- **Memory:** 2 GB RAM minimum (4 GB recommended)
- **Storage:** 1 GB available hard disk space
- **Display:** 1024×768 screen resolution or higher
- **Internet:** Active connection for updates and activation

Additional Prerequisites

- **Administrator Rights:** Required for installation and full functionality
- **Windows Updates:** Current system updates recommended
- **.NET Framework:** Version 4.5 or later (usually pre-installed)
- **Antivirus Compatibility:** May require configuration with other security software

Performance Note:

While Gridinsoft Anti-Malware can run on minimum system requirements, better performance is achieved with recommended specifications, especially during full system scans and real-time protection.

02 Downloading Gridinsoft Anti-Malware

Always download Gridinsoft Anti-Malware from official sources to ensure authenticity and security:

- **Main Download Page:** https://gridinsoft.com/download/antimalware

Official Download Sources

Gridinsoft Anti-Malware is available in two download formats to accommodate different user needs and installation preferences:

- **Direct Download:** gsam-en-install.exe
- **Full Installer:** gsam-XXXX-setup.exe

Download Security Verification

To ensure you've downloaded a legitimate copy:

- **File Size:** Verify the download size matches the expected file size
- **Digital Signature:** Check that the file is digitally signed by Gridinsoft LLC
- **Antivirus Scan:** Scan the downloaded file with your current security software

- **File Location:** Ensure the file was downloaded from official Gridinsoft domains

Security Warning:

Only download Gridinsoft Anti-Malware from official Gridinsoft websites. Avoid third-party download sites, which may offer modified or infected versions of the software.
