

# How to Scan Your PC with Gridinsoft Anti-Malware

Gridinsoft Help Center

## Pick the right scan in under 10 seconds

- Got 2 minutes? Run Quick Scan. It checks the highest risk spots fast.
- Want a solid weekly check? Run Standard Scan. It is thorough yet friendly on time.
- Think something is wrong or it has been a while? Run a Full Scan for a deep clean.
- Need to check only a USB or one folder? Run Custom Scan and point it where you want.
